conference@vfv.viko.lt

Conference aim – is to promote students' research activities in relation to the initiatives fostering entrepreneurship, creativity, citizenship, social responsibility and sustainable development.

Conference topics:

- Issues of work, studies and leisure in today's society.

YOUTH IN A CHANGING SOCIETY

- Motivation and development of personal or professional competences.
- Promoting healthy lifestyles and environmental health challenges.
- The impact of the interaction of science, business and innovation on socio-economic development.
- The importance of financial and information literacy for the well-being of the individual and society.
- Prerequisites and need for creativity education in today's and tomorrow's world.
- Development of social responsibility and sustainable development initiatives.
- Citizenship and volunteering are the guarantors of the growth of a modern democratic society.
- Dissemination of ecological and sustainability ideas and visions for the future.

Languages of the conference – Lithuanian and English.

We are inviting to prepare presentations and/or papers and participate in the conference.

Peer-reviewed papers will be published in an electronic issue of the conference proceedings (ISSN register)!
